	2709.00.20	- Condensate

NO.	HSCODE	DESCRIPTION
	2709.00.90	-Other
8	2710.91.00	- - Containing polychlorinated biphenyls (PCBs), polychlorinated terphenyls (PCTs) or polybrominated biphenyls (PBBs)
9	2710.99.00	--Other
10	2815.11.00	- - Solid
11	2815.12.00	- - In aqueous solution (soda lye or liquid soda)
12	2917.31.00	- - Dibutyl orthophthalates
13	2917.32.00	- - Dioctyl orthophthalates
14	2917.33.00	- - Dinonyl or didecyl orthophthalates
15	2917.34.00	- - Other esters of orthophthalic acid
16	2922.41.00	- - Lysine and its esters; salts thereof
17	2922.42	- - Glutamic acid and its salts
	2922.42.20	— Monosodium glutamate
	2922.42.90	---Other salts
18	2941.10	- Penicillins and their derivatives with a penicillanic acid structure; salts thereof
	2941.10.11	— Non-sterile
	2941.10.19	- - - Other
	2941.10.20	- - Ampicillin and its salts
19	3004.10	- Containing penicillins or derivatives thereof, with a penicillanic acid structure, streptomycins or their derivatives
	3004.10.11	— Containing penicillin G or its salts (excluding penicillin G benzathine)
	3004.10.12	— Containing phenoxymethyl penicillin or its salts
	3004.10.13	— Containing ampicillin or its salts, for taking orally
	3004.10.14	— Containing amoxycillin or its salts, for taking orally
20	3004.20	- Containing other antibiotics
	3004.20.11	— For taking orally
	3004.20.12	— Ointment
	3004.20.21	— For taking orally
	3004.20.22	— Ointment
	3004.20.31	— For taking orally
	3004.20.32	— Ointment
	3004.20.41	— Containing gentamicins or derivatives thereof, for injection
	3004.20.42	— Containing lincomycins or derivatives thereof, for taking orally
	3004.20.43	— Ointments
21	3004.50	- Other medicaments containing vitamins (except other products of heading 29.36)

NO.	HS CODE	DESCRIPTION
	3004.50.20	- - Containing vitamins A, other than goods of subheading 3004.50.10 and 3004.50.79
	3004.50.30	- - Containing vitamins B 1 , B 2 , B 6 or B 1 2 , other than goods of subheadings 3004.50.10,3004.50.71 and 3004.50.79
	3004.50.40	- - Containing vitamins C, other than goods of subheadings 3004.50.10 and 3004.50.79

ANNEX 3 RULES OF ORIGIN

In determining the origin of a good eligible for preferential tariff treatment pursuant to Article 5 of this Agreement, the following Rules shall apply:

Rule1 Definitions

For the purposes of this Annex:

CIF means the value of the good imported, and includes the cost of freight and insurance up to the port or place of entry into the country of importation;

FOB means the free-on-board value of a good, inclusive of the cost of transport from the producer to the port or site of final shipment abroad;

goods shall include materials or products, which can be wholly obtained or produced, even if they are intended for later use as materials in another production process. For the purposes of this Annex, the terms "goods" and "products" can be used interchangeably and the terms "good" and "product" shall be interpreted accordingly;

Harmonized System means the nomenclature of the Harmonized Commodity Description and Coding System defined in the International Convention on the Harmonized Commodity Description and Coding System including all legal notes thereto, as in force and as amended from time to time;

identical and interchangeable materials means materials being of the same kind and commercial quality, possessing the same technical and physical characteristics, and which once they are incorporated into the finished good cannot be distinguished from one another for origin purposes by virtue of any markings, etc.;

materials shall include ingredients, raw materials, parts, components, sub-assemblies used in the production process;

non-originating goods means products or materials that do not qualify as originating under this Annex;

originating goods means products or materials that qualify as originating under this Annex;

packaging materials and containers for transportation means the goods used to protect a good during its transportation, different from those materials or containers used for its retail sale;

preferential tariff treatment means tariff concessions granted to originating goods as reflected by the tariff rates applicable under this Agreement;

Product Specific Rules means the rules that specify that the materials have undergone a change in tariff classification or a specific manufacturing or processing operation, or satisfy a regional value content or a combination of any of these criteria;

production means methods of obtaining a good including growing, mining, harvesting, raising, breeding, extracting, gathering, collecting, capturing, fishing, trapping, hunting, manufacturing, producing, processing or assembling a good; and

third country means a non-Party or a Party which is not an importing or exporting Party, and the phrase "third countries" shall be interpreted accordingly.

Rule 2

Origin Criteria

1. For the purposes of this Agreement, a good imported into the territory of a Party shall be deemed to be originating and eligible for preferential tariff treatment if it conforms to the origin requirements under any one of the following:

- (a) a good which is wholly obtained or produced entirely in the territory of the exporting Party as set out and defined in Rule 3; or
- (b) a good not wholly obtained or produced in the territory of the exporting Party, provided that the said good is eligible under Rule 4 or 5 or 6 or 7.

2. Except as provided for in Rule 7, the conditions for acquiring originating status set out in this Annex must be fulfilled without interruption in the territory of the exporting Party.

Rule 3

Wholly Obtained or Produced Goods

Within the meaning of paragraph 1(a) of Rule 2, the following shall be considered to be wholly obtained or produced in the territory of a Party:

- (a) plants and plant products harvested, picked or gathered after being grown there;
- (b) live animals born and raised there;
- (c) goods obtained from live animals referred to in sub-paragraph (b);
- (d) goods obtained from hunting, trapping, fishing, aquaculture, gathering or capturing conducted there;
- (e) minerals and other naturally occurring substances, not included in sub-paragraphs (a) through (d), extracted or taken from its soil, waters, seabed or beneath its seabed;
- (f) products of sea-fishing taken by vessels registered with the Party and entitled to fly its flag, and other products taken by the Party or a person of that Party, from the waters, seabed or beneath the seabed outside the territorial waters of

the Party, provided that the Party has the rights to exploit['] the natural resources of such waters, seabed and beneath the seabed under international law[^];

- (g) products of sea-fishing and other marine products taken from the high seas by vessels registered with the Party and entitled to fly its flag;
- (h) goods produced and/or made on board factory ships registered with a Party and entitled to fly its flag, exclusively from products referred to in sub-paragraph (g);
- (i) goods taken from outer space provided that they are obtained by the Party or a person of that Party;
- (j) articles collected from there which can no longer perform their original purpose nor are capable of being restored or repaired and are fit only for the disposal or recovery of parts of raw materials, or for recycling purposes;
- (k) waste and scrap derived from:
 - (i) production there; or
 - (ii) used goods collected there, provided that such goods are fit only for the recovery of raw materials; and
- (l) goods obtained or produced in the territory of the Party solely from goods referred to in sub-paragraphs (a) through (k).

Rule 4 **Not Wholly Obtained or Produced Goods**

1. For the purposes of paragraph 1(b) of Rule 2, a good, except those covered under Rule 5 as provided for in Appendix 2, shall be deemed to be originating if the regional value content (hereinafter referred to as the "RVC") is not less than 40% of the FOB value or if a good has undergone a change in tariff classification at four digit-level (change of tariff heading) of the Harmonized System.

2. The formula for calculating the RVC shall be[^]:

['] The Parties understand that for the purposes of determining the origin of products of sea-fishing and other products, "rights" in sub-paragraph (f) of Rule 3 include those rights of access to the fisheries resources of a coastal state, as accruing from agreements or other arrangements concluded between a Party and the coastal state at the level of governments or duly authorised private entities.

[^] "International law" in sub-paragraph (f) of Rule 3 refers to generally accepted international law such as the United Nations Convention on the Law of the Sea.

['] The Parties shall be given the flexibility to adopt the method of calculating the RVC, whether it is the build-up or the build-down method. In order to promote transparency, consistency and certainty, each Party shall adhere to one method. Any change in the method of calculation shall be notified to all the other Parties at least six (6) months prior to the adoption of the new method. It is understood that any verification of the RVC by the importing Party shall be done on the basis of the method used by the exporting Party.

(a) Build-Up Method

$$RVC = \frac{VOM}{FOB} \times 100\%$$

VOM means value of originating materials, which includes the value of originating materials, direct labour cost, direct overhead cost, transportation cost and profit

(b) Build-Down Method

$$RVC = \frac{FOB - VNM}{FOB} \times 100\%$$

VNM means value of non-originating materials, which shall be: (i) the GIF value at the time of importation of the materials, parts or goods; or (ii) the earliest ascertained price paid for the materials, parts or goods of undetermined origin in the territory of the Party where the working or processing has taken place

Rules
Product Specific Rules

For the purposes of Rule 2, goods which satisfy the Product Specific Rules provided in Appendix 2 shall be considered to be originating in the territory of the Party where working or processing of the goods has taken place.

Rule 6
Treatment for Certain Goods

Notwithstanding Rules 2, 4 and 5, certain goods shall be considered to be originating even if the production process or operation has been undertaken in an area outside the territories of Korea and ASEAN Member Countries (i.e. industrial zone) on materials exported from a Party and subsequently re-imported to that Party. The application of this Rule, including the list of products and the specific procedures related to this application shall be mutually agreed upon by the Parties.

Rule?
Accumulation

Unless otherwise provided for in this Annex, a good originating in the territory of a Party, which is used in the territory of another Party as material for a finished good eligible for preferential tariff treatment, shall be considered to be originating in the territory of the latter Party where working or processing of the finished good has taken place.

Rules Non-Qualifying Operations

1. Notwithstanding any provisions in this Annex, a good shall not be considered to be originating in the territory of a Party if the following operations are undertaken exclusively by itself or in combination in the territory of that Party:

- (a) preserving operations to ensure that the good remains in good condition during transport and storage;
- (b) changes of packaging, breaking-up and assembly of packages;
- (c) simple" washing, cleaning, removal of dust, oxide, oil, paint or other coverings;
- (d) simple" painting and polishing operations;
- (e) husking, partial or total bleaching, polishing and glazing of cereals and rice;
- (f) operations to colour sugar or form sugar lumps;
- (g) simple'* peeling, stoning, or un-shelling;
- (h) sharpening, simple grinding or simple cutting;
- (i) sifting, screening, sorting, classifying, grading, matching;
- (j) simple placing in bottles, cans, flasks, bags, cases, boxes, fixing on cards or boards and all other simple packaging operations;
- (k) affixing or printing marks, labels, logos and other like distinguishing signs on products or their packaging;
- (l) simple mixing^ of products, whether or not of different kinds;
- (m) simple" assembly of parts of articles to constitute a complete article or disassembly of products into parts;
- (n) simple" testing or calibrations; or
- (o) slaughtering of animals^

^ "simple" generally describes an activity which does not need special skills, machines, apparatus or equipment especially produced or installed for carrying out the activity.

' "simple mixing" generally describes an activity which does not need special skills, machines, apparatus or equipment especially produced or installed for carrying out the activity. However, simple mixing does not include chemical reaction. Chemical reaction means a process (including a biochemical process) which result in a molecule with a new structure by breaking intramolecular bonds and by forming new intramolecular bonds, or by altering the spatial arrangement of atoms in a molecule.

* Slaughtering means the mere killing of animals and subsequent processes such as cutting, chilling, freezing, salting, drying or smoking, for the purpose of preservation for storage and transport.

2. A good originating in the territory of a Party shall retain its initial originating status, when exported from another Party, where operations undertaken have not gone beyond those referred to in paragraph 1.

Rule 9 Direct Consignment

1. Preferential tariff treatment shall be applied to a good satisfying the requirements of this Annex and which is transported directly between the territories of the exporting Party and the importing Party.

2. Notwithstanding paragraph 1, a good of which transport involves transit through one or more intermediate third countries, other than the territories of the exporting Party and the importing Party, shall be considered to be consigned directly, provided that:

- (a) the transit is justified for geographical reason or by consideration related exclusively to transport requirement;
- (b) the good has not entered into trade or consumption there; and
- (c) the good has not undergone any operation other than unloading and reloading or any operation required to keep it in good condition.

Rule 10 De Minimis

1. A good that does not undergo a change in tariff classification shall be considered as originating if:

- (a) for a good, other than that provided for in Chapters 50 through 63 of the Harmonized System, the value of all non-originating materials used in its production that do not undergo the required change in tariff classification does not exceed ten (10) percent of the FOB value of the good;
- (b) for a good provided for in Chapters 50 through 63 of the Harmonized System, the weight of all non-originating materials used in its production that do not undergo the required change in tariff classification does not exceed ten (10) percent of the total weight of the good;

and the good specified in sub-paragraph (a) and (b) meets all other applicable criteria set forth in this Annex for qualifying as an originating good.

2. The value of non-originating materials referred to in paragraph 1 shall, however, be included in the value of non-originating materials for any applicable RVC requirement for the good.

Rule 11
Treatment of Packaging and Packing Materials

1. (a) If a good is subject to the RVC criterion as set out in Rule 4, the value of the packaging and packing materials for retail sale shall be taken into account in its determination of origin, where the packaging and packing materials are considered to be forming a whole with the good.
 - (b) Where sub-paragraph (a) is not applicable, the packaging and packing materials for retail sale, when classified together with the packaged good, shall not be taken into account in considering whether all non-originating materials used in the manufacture of the good fulfil the criterion corresponding to a change in tariff classification of the said good.
2. Packing materials and containers for transportation of a good shall not be taken into account in determining the origin of the good.

Rule 12
Accessories, Spare Parts and Tools

The origin of accessories, spare parts, tools, and instructional or other informational materials presented with a good shall not be taken into account in determining the origin of the good, provided that such accessories, spare parts, tools, and instructional or other informational materials are classified with the good and their customs duties are collected with the good by the importing Party.

Rule 13
Neutral Elements

In order to determine whether a good originates, it shall not be necessary to determine the origin of the following which might be used in its production and not incorporated into the good:

- (a) fuel and energy;
- (b) tools, dies and moulds;
- (c) spare parts and materials used in the maintenance of equipment and buildings;
- (d) lubricants, greases, compounding materials and other materials used in production or used to operate equipment and buildings;
- (e) gloves, glasses, footwear, clothing, safety equipment and supplies;
- (f) equipment, devices and supplies used for testing or inspecting the good; and

- (g) any other goods that are not incorporated into the good but of which use in the production of the good can reasonably be demonstrated to be a part of that production.

Rule 14 **Identical and Interchangeable Materials**

1. For the purposes of establishing the origin of a good, when the good is manufactured utilising originating and non-originating materials, mixed or physically combined, the origin of such materials can be determined by generally accepted accounting principles of inventory management practiced in the territory of the exporting Party.
2. Once a decision has been taken on the inventory management method, that method shall be used throughout the fiscal year.

Rule 15 **Certificate of Origin**

A claim that a good shall be accepted as eligible for preferential tariff treatment shall be supported by a Certificate of Origin issued by a competent authority designated by the exporting Party and notified to all the other Parties in accordance with the Operational Certification Procedures, as set out in Appendix 1.

Rule 16 **Consultations, Review and Modification**

1. The Parties shall consult regularly to ensure that the Rules in this Annex are administered effectively, uniformly and consistently in order to achieve the spirit and objectives of this Annex.
2. This Annex may be reviewed and modified as and when necessary upon request of a Party and may be open to such reviews and modifications as may be agreed upon in the Implementing Committee established under Article 5.3 of the Framework Agreement.

Rule 17 **Institutional Arrangement**

Subject to Article 5.3 of the Framework Agreement, the Korea-ASEAN Rules of Origin Committee shall be established and be responsible for administering and enforcing the general rules of origin and customs procedures as provided for in this Annex and endeavour to resolve any differences arising therefrom.

Rule 18
Settlement of Disputes

1. In the case of differences concerning origin determination, classification of a good or other matters relevant to the implementation of this Annex, the government authorities concerned of the importing Party and the exporting Party shall consult each other with a view to resolving the differences, and the result shall be notified to all the other Parties for information.
2. Where no mutually satisfactory solution to the differences has been reached through the consultations mentioned in paragraph 1, the Party concerned may invoke the dispute settlement procedures as set out in the Agreement on Dispute Settlement Mechanism under the Framework Agreement.

APPENDIX 1 OPERATIONAL CERTIFICATION PROCEDURES FOR THE RULES OF ORIGIN

For the purposes of implementing Annex 3, the following operational procedures on the issuance of a Certificate of Origin, verification of origin and other related administrative matters shall be observed:

DEFINITIONS

Rule 1

For the purposes of this Appendix:

back-to-back Certificate of Origin means a Certificate of Origin issued by an intermediate exporting Party based on the Certificate of Origin issued by the first exporting Party;

customs authority means the competent authority that is responsible under the law of a Party for the administration of customs laws and regulations';

exporter means a natural or juridical person located in the territory of a Party from where a good is exported by such a person;

importer means a natural or juridical person located in the territory of a Party into where a good is imported by such a person; and

issuing authority means the competent authority designated by the government of the exporting Party to issue a Certificate of Origin and notified to all the other Parties in accordance with this Appendix.

producer means a natural or juridical person who carries out production as set out in Rule 1 of Annex 3 in the territory of a Party.

ISSUING AUTHORITIES

Rule 2

1. Each Party shall provide the names, addresses, specimen signatures and specimen of official seals of its issuing authorities to all the other Parties, through the ASEAN Secretariat. Any change in the said list shall be promptly provided in the same manner.

' Such laws and regulations administered and enforced by the customs authority of each Party concerning the importation, exportation and transit of goods as they relate to customs duties, charges and other taxes or prohibitions, restrictions and controls with respect to the movement of controlled items across the boundary of the customs authority of each Party.

2. Any Certificate of Origin issued by an official not included in the said list shall not be honoured by the customs authority.

Rule 3

For the purposes of determining originating status, the issuing authorities shall have the right to request for supporting documentary evidence or to carry out the check considered appropriate in accordance with a Party's respective domestic laws and regulations.

ISSUANCE OF A CERTIFICATE OF ORIGIN

Rule 4

1. The producer and/or exporter of the good, or its authorised representative, shall apply to the issuing authority, in accordance with the Party's domestic laws and regulations, requesting for pre-exportation examination of the origin of the good. The result of the examination, subject to review periodically or whenever appropriate, shall be accepted as the supporting evidence in determining the origin of the said good to be exported thereafter. The pre-exportation examination may not apply to the good of which, by its nature, origin can be easily determined.

2. The producer and/or exporter or its authorised representative shall apply for a Certificate of Origin together with appropriate supporting documents proving that the good to be exported qualifies for the issuance of a Certificate of Origin, consistent with the domestic laws and regulations of the Party.

3. The issuing authority shall, to the best of its competence and ability, carry out proper examination, in accordance with the domestic laws and regulations of the Party, upon each application for a Certification of Origin to ensure that:

- (a) the Certificate of Origin is duly completed and signed by the authorised signatory;
- (b) the origin of the good is in conformity with Annex 3;
- (c) other statements in the Certificate of Origin correspond to supporting documentary evidence submitted; and
- (d) the description, quantity and weight of the good, marks and number of packages, number and kinds of packages, as specified, conform to the good to be exported.

4. Multiple items declared on the same Certificate of Origin, shall be allowed, provided that each item must qualify separately in its own right.

Rules

1. A Certificate of Origin shall be on A4 size paper and shall be in the form attached and referred to as Form A K. It shall be in the English language.
2. A Certificate of Origin shall comprise one original and two (2) copies. The colors of the original and the copies of a Certificate of Origin shall be mutually agreed upon by the Parties.
3. A Certificate of Origin shall bear a reference number separately given by each place or office of issuance.
4. The original copy shall be forwarded by the producer and/or exporter to the importer for submission to the customs authority of the importing Party. The duplicate shall be retained by the issuing authority of the exporting Party. The triplicate shall be retained by the producer and/or exporter.
5. The issuing authority shall endeavour to periodically provide records of issuance of Certificates of Origin, including issuing number and date, producer and/or exporter and description of goods, to the customs authority of the importing Party.
6. In cases where a Certificate of Origin is rejected by the customs authority of the importing Party, the subject Certificate of Origin shall be marked accordingly in box 4 and the original Certificate of Origin shall be returned to the issuing authority within a reasonable period but not exceeding two (2) months. The issuing authority shall be duly notified of the grounds for the denial of preferential tariff treatment.
7. In cases where a Certificate of Origin is not accepted, as stated in paragraph 6, the customs authority of the importing Party, as it deems fit, should accept the clarifications made by the issuing authority to accept the Certificate of Origin and reinstate the preferential tariff treatment. The clarifications should be detailed and exhaustive in addressing the grounds for denial of preferential tariff treatment raised by the importing Party.

Rule 6

Neither erasures nor superimpositions shall be allowed on a Certificate of Origin. Any alteration shall be made by striking out the erroneous materials and making any addition required. Such alterations shall be approved by an official authorised to sign a Certificate of Origin and certified by the issuing authority. Unused spaces shall be crossed out to prevent any subsequent addition.

Rule?

1. A Certificate of Origin shall be issued at the time of exportation or soon thereafter whenever the good to be exported can be considered to be originating in the territory of the exporting Party within the meaning of Annex 3.

2. The issuing authority of the intermediate Party may issue a back-to-back Certificate of Origin, if an application is made by the exporter while the good is passing through its territory, provided that:

- (a) a valid original Certificate of Origin is presented;
- (b) the importer of the intermediate Party and the exporter who applies for the back-to-back Certificate of Origin in the intermediate Party are the same; and
- (c) verification procedures as set out in Rule 14 is applied.

3. Upon request of a Party, the Parties shall review the provisions of this Rule and the implementation thereof, and revise it as may be mutually agreed upon by the Parties.

4. In exceptional cases where a Certificate of Origin has not been issued at the time of exportation or soon thereafter due to involuntary errors, omissions or other valid causes, a Certificate of Origin may be issued retroactively but no later than one year from the date of shipment, bearing the words "ISSUED RETROACTIVELY".

Rules

In the event of theft, loss or destruction of a Certificate of Origin, the producer and/or exporter may apply to the issuing authority for a certified true copy of the original to be made out on the basis of the export documents in its possession bearing the endorsement of the words "CERTIFIED TRUE COPY" in box 12 of a Certificate of Origin. This copy shall bear the date of issuance of the original Certificate of Origin. The certified true copy of a Certificate of Origin shall be issued no later than one year from the date of issuance of the original Certificate of Origin.

PRESENTATION

Rule 9

For the purposes of claiming preferential tariff treatment, the importer shall submit to the customs authority of the importing Party at the time of import, a declaration, a Certificate of Origin including supporting documents (i.e. invoices and, when required, the through Bill of Lading issued in the territory of the exporting Party) and other documents as required in accordance with the domestic laws and regulations of the importing Party.

Rule 10

1. The Certificate of Origin shall, in accordance with domestic laws and regulations, be submitted to the customs authority of the importing Party within six (6) months from the date of issuance by the issuing authority of the exporting Party or the intermediate exporting Party in the case of back-to-back Certificate of Origin.

2. Where the Certificate of Origin is submitted to the customs authority of the importing Party after the expiration of the time-limit as stated in paragraph 1 for its submission, such Certificate of Origin shall be accepted when the failure to observe such time-limit results from force majeure or other valid causes beyond the control of the producer and/or exporter.

3. In all cases, the customs authority of the importing Party may accept such Certificate of Origin, provided that the good has been imported before the expiration of the time-limit of the said Certificate of Origin.

Rule 11

A Certificate of Origin shall not be required for:

- (a) a good originating in the territory of a Party which does not exceed US\$ 200.00 FOB; or
- (b) a good sent by post from the territory of a Party which does not exceed US\$ 200.00 FOB,

provided that the importation does not form part of one or more importations that may reasonably be considered to have been undertaken or arranged for the purpose of avoiding the submission of a Certificate of Origin.

Rule 12

1. Where the origin of a good is not in doubt, the discovery of minor discrepancies, between the statements made in a Certificate of Origin and those made in the documents submitted to the customs authority of the importing Party for the purpose of carrying out the formalities for importing the good shall not *ipso facto* invalidate the Certificate of Origin, if it does in fact correspond to the good submitted.

2. For multiple items declared under the same Certificate of Origin, a problem encountered with one of the items listed shall not affect or delay the granting of preferential tariff treatment and customs clearance of the remaining items listed in that Certificate of Origin. Paragraph 1(c) of Rule 14 may be applied to the problematic items.

RECORD KEEPING REQUIREMENT

Rule 13

1. For the purposes of the verification process pursuant to Rules 14 and 15, the producer and/or exporter applying for the issuance of a Certificate of Origin shall, subject to the domestic laws and regulations of the exporting Party, keep its supporting records for application for not less than three (3) years from the date of issuance of the Certificate of Origin.
2. The importer shall keep records relevant to the importation in accordance with the domestic laws and regulations of the importing Party.
3. The application for Certificates of Origin and all documents related to such application shall be retained by the issuing authority for not less than three (3) years from the date of issuance.
4. Information relating to the validity of a Certificate of Origin shall be furnished upon request of the importing Party by an official authorised to sign a Certificate of Origin and certified by the appropriate government authorities.
5. Any information communicated between the Parties concerned shall be treated as confidential and shall be used for the validation of Certificates of Origin purpose only.

VERIFICATION

Rule 14

1. The importing Party may request the issuing authority of the exporting Party to conduct a retroactive check at random and/or when the importing Party has reasonable doubt as to the authenticity of the document or as to the accuracy of the information regarding the true origin of the good in question or of certain parts thereof. Upon such request, the issuing authority of the exporting Party shall conduct a retroactive check on a producer's and/or exporter's cost statement based on the current cost and prices within a six-month timeframe of the specified date of exportation[^], subject to the following procedures:

- (a) the request of the importing Party for a retroactive check shall be accompanied with the Certificate of Origin concerned and shall specify the reasons and any additional information suggesting that the particulars given on the said Certificate of Origin may be inaccurate, unless the retroactive check is requested on a random basis;

[^] In the case of Korea, the issuing authority referred to Rules 14 and 15, for the purpose of origin verification for the exported goods into the ASEAN Member countries, refers to the customs authority in accordance with its customs laws and regulations.

[^] With reference to the six-month timeframe, the issuing authority of the exporting Party can choose any six-month period, before or after the date specified, or any time in between as long as it does not exceed the period of six months.

- (b) the issuing authority of the exporting Party receiving a request for retroactive check shall respond to the request promptly and reply within two (2) months after receipt of the request;
- (c) the customs authority of the importing Party may suspend provision of preferential tariff treatment while awaiting the result of verification. However, it may release the good to the importer subject to any administrative measures deemed necessary, provided that they are not held to be subject to import prohibition or restriction and there is no suspicion of fraud; and
- (d) the issuing authority shall promptly transmit the results of the verification process to the importing Party which shall then determine whether or not the subject good is originating. The entire process for retroactive check, including the process of notifying the issuing authority of the exporting Party the result of determination on whether or not the good is originating, shall be completed within six (6) months. While the process of the retroactive check is being undertaken, sub-paragraph (c) shall be applied.

2. The customs authority of the importing Party may request an importer for information or documents relating to the origin of imported good in accordance with its domestic laws and regulations before requesting the retroactive check pursuant to paragraph 1.

Rule 15

1. If the importing Party is not satisfied with the outcome of the retroactive check, it may, under exceptional circumstances, request verification visits to the exporting Party.

2. Prior to conducting a verification visit pursuant to paragraph 1:

- (a) an importing Party shall deliver a written notification of its intention to conduct the verification visit simultaneously to:
 - (i) the producer and/or exporter whose premises are to be visited;
 - (ii) the issuing authority of the Party in the territory of which the verification visit is to occur;
 - (iii) the customs authority of the Party in the territory of which the verification visit is to occur; and
 - (iv) the importer of the good subject to the verification visit;
- (b) the written notification mentioned in sub-paragraph (a) shall be as comprehensive as possible and shall include, among others:

- (i) the name of the customs authority issuing the notification;
 - (ii) the name of the producer and/or exporter whose premises are to be visited;
 - (iii) the proposed date of the verification visit;
 - (iv) the coverage of the proposed verification visit, including reference to the good subject to the verification; and
 - (v) the names and designation of the officials performing the verification visit;
- (c) an importing Party shall obtain the written consent of the producer and/or exporter whose premises are to be visited;
 - (d) when a written consent from the producer and/or exporter is not obtained within thirty (30) days from the date of receipt of the notification pursuant to sub-paragraph (a), the notifying Party may deny preferential tariff treatment to the good referred to in the said Certificate of Origin that would have been subject to the verification visit; and
 - (e) the issuing authority receiving the notification may postpone the proposed verification visit and notify the importing Party of such intention within fifteen (15) days from the date of receipt of the notification. Notwithstanding any postponement, any verification visit shall be carried out within sixty (60) days from the date of such receipt, or a longer period as the Parties may agree.

3. The Party conducting the verification visit shall provide the producer and/or exporter, whose good is subject to such verification, and the relevant issuing authority with a written determination of whether or not the good subject to such verification qualifies as an originating good.

4. Any suspended preferential tariff treatment shall be reinstated upon the written determination referred to in paragraph 3 that the good qualifies as an originating good.

5. The producer and/or exporter shall be allowed thirty (30) days from the date of receipt of the written determination to provide in writing comments or additional information regarding the eligibility of the good for preferential tariff treatment. If the good is still found to be non-originating, the final written determination shall be communicated to the issuing authority within thirty (30) days from the date of receipt of the comments/additional information from the producer and/or exporter.

6. The verification visit process, including the actual visit and the determination under paragraph 3 whether the good subject to such verification is originating or not, shall be carried out and its results communicated to the issuing authority within a maximum period of six (6) months from the first day the initial verification visit was conducted. While the process of verification is being undertaken, paragraph 1(c) of Rule 14 shall be applied.

Rule 16

1. The Parties shall maintain, in accordance with their respective domestic laws and regulations, the confidentiality of classified business information collected in the process of verification pursuant to Rules 14 and 15 and shall protect that information from disclosure that could prejudice the competitive position of the person who provided the information.

2. Subject to the domestic laws and regulations, and agreement of the Parties, classified information may only be disclosed by the authorities of one Party to another, for the administration and enforcement of origin determination.

DENIAL OF PREFERENTIAL TARIFF TREATMENT

Rule 17

Except as otherwise provided in this Appendix, the importing Party may deny claim for preferential tariff treatment or recover unpaid duties in accordance with its laws and regulations, where the good does not meet the requirements of Annex 3, or where the relevant requirements of this Appendix are not fulfilled.

SPECIAL CASES

Rule 18

When destination of all or parts of the good exported to the territory of a specified Party is changed, before or after its arrival in the territory of that Party, the following shall be observed:

- (a) even if the good is already imported into the territory of a specified importing Party, the customs authority of that importing Party shall endorse the Certificate of Origin to the effect for all or parts of the good in case where the importer makes a written application for the preferential tariff treatment along with the submission of the original Certificate of Origin; and
- (b) if the changing of destination occurs during transportation to the territory of the importing Party as specified in the Certificate of Origin, the producer and/or exporter shall apply in writing, accompanied with

the issued Certificate of Origin, for a new issuance for all or parts of the good.

Rule 19

For the purposes of implementing Rule 9 of Annex 3, where transportation is effected through the territory of one or more intermediate countries, other than that of the exporting Party and the importing Party, the following shall be produced to the relevant government authorities of the importing Party:

- (a) a through Bill of Lading issued in the territory of the exporting Party;
- (b) a Certificate of Origin;
- (c) a copy of the original commercial invoice in respect of the good; and
- (d) other relevant supporting documents, if any, as evidence that the requirements of Rule 9 of Annex 3 are being complied with.

Rule 20

1. Notwithstanding Rule 9 of Annex 3, a good sent from the territory of the exporting Party for exhibition in another country and sold during or after the exhibition for importation into the territory of a Party shall be granted preferential tariff treatment on the condition that the good meets the requirements as set out in Annex 3, provided that it is shown to the satisfaction of the customs authority of the importing Party that:

- (a) an exporter has dispatched the good from the territory of the exporting Party to the country where the exhibition has been held and has exhibited it there;
- (b) the exporter has sold the goods or transferred it to a consignee in the territory of the importing Party; and
- (c) the good has been consigned during the exhibition or immediately thereafter to the territory of the importing Party in the state in which it was sent for the exhibition.

2. For the purposes of implementing paragraph 1, a Certificate of Origin shall be provided to the relevant government authorities of the importing Party. The name and address of the exhibition shall be indicated. As an evidence for the identification of the good and the conditions under which it was exhibited, a certificate issued by the relevant government authorities of the country where the exhibition took place together with supporting documents prescribed in sub-paragraph (d) of Rule 19 may be required.

3. Paragraph 1 shall apply to any trade, agricultural or crafts exhibition, fair or similar show or display in shops or business premises with a view to the sale of foreign good and where the good remains under customs control during the exhibition.

Rule 21

1. Customs authority in the importing Party may accept Certificates of Origin in cases where the sales invoice is issued either by a company located in a third country or by an exporter for the account of the said company, provided that the good meets the requirements of Annex 3.

2. The exporter of the goods shall indicate "third country invoicing" and such information as name and country of the company issuing the invoice in the Certificate of Origin.

ACTION AGAINST FRAUDULENT ACTS

Rule 22

1. When it is suspected that fraudulent acts in connection with a Certificate of Origin have been committed, the government authorities concerned shall cooperate in the action to be taken by a Party against the persons involved.

2. Each Party shall provide legal sanctions for fraudulent acts related to a Certificate of Origin.

CUSTOMS CONTACT POINT

Rule 23

1. Each Party shall designate a contact point for all matters relating to this Appendix.

2. When the contact point of a Party raises any matter arising from Annex 3 to the contact point of any other Party, the customs authority of the latter Party shall assign its own experts to look into the matter and to respond with its findings and proposed solution for resolving the matter within a reasonable period of time.

3. The contact points shall endeavor to resolve any matter raised under Annex 3 through consultations.

APPENDIX 3 EXPLANATORY NOTES TO ANNEX 3

1. *RVC Calculation Formula*

For the purposes of Rule 5 of Annex 3, RVC of a good specified in Appendix 2 shall be calculated in accordance with the formula provided for in paragraph 2 of Rule 4 of Annex 3.

2. *Non-Qualifying Operations for Textile and Garment*

Notwithstanding any provisions in Annex 3, a good from Chapters 50 through 63 shall not be considered to be originating in the territory of a Party if the following operations are undertaken exclusively by itself or in combination within each paragraph in the territory of that Party, whether or not both RVC and CTC criteria, are satisfied:

- (a) simple combining operations, labeling, ironing or pressing, cleaning or dry cleaning, packaging operations, or any combination thereof;
- (b) cutting to length or width and hemming, stitching or overlocking of fabrics which are readily identifiable as being intended for a particular commercial use;
- (c) trimming and/or joining together of accessory articles, such as straps, bands, beads, cords, rings or eyelets, by sewing, looping, linking or attaching;
- (d) bleaching, waterproofing, decating, shrinking, mercerizing, or similar operations for the purposes of having merely undergone the finishing operations; or
- (e) embroidery which represents less than five (5) percent of the total area of the embroidered goods or embroidery which contributes less than five (5) percent of the total weight of the embroidered goods.

3. *Agricultural and Horticultural goods*

Agricultural and horticultural goods grown in the territory of an exporting Party shall be treated as originating in the territory of that Party even if they are grown from seed, bulbs, rootstock, cuttings, slips or other live parts of plants imported from a territory of a third country.

4. *Aquacultural goods*

Aquacultural goods raised in the territory of an exporting Party shall be treated as originating in the territory of that Party if they are raised from seedstocks such as eggs, fries, fingerlings, glass eels or oyster spat to be normally fed on initial feed such as rotifer or artemia.
